BECOME Academy History:

BECOM Academy since its establishment in 1994 has focused its business on enabling personal and organizational achievement through effective, efficient business and information technology education.

Our slogan, “Together, we will change the way people learn”, demonstrates our commitment to serving customer-centric educational solutions that deliver unparalleled value to our students and those firms that employ them.

Who we are?

Vision:

Aspires to become a center of excellence in providing quality education and training in a variety of fields to people who need new skills to enjoy the dignity that comes with employment, independence and self-reliance in Egypt and GCC..

Mission:

provide custom training for corporates and individuals that can help corporates achieving their goals and help individuals develop their skills.

To contribute to the development of organizations and individuals by offering professional training courses and reliable consultancy services in accordance with the latest professional and technical standards

WE Provide

- High-Quality Facilities wherever you need them is just the beginning.
- True Realistic solution that combines state-of-the-art classrooms with innovative learning tools and comprehensive suite of productivity - enhancing training services.
- Equally important, we understand that one size does not fit all; we have the expertise and flexibility to customize your experience to ensure a successful training session.
- Locating the ideal site for your next training event begins with an easy visit of our location.
- Please contact us at any time during your search for assistance in finding the training facility that best meets your needs.

Our Services

Standard training

- Public Training Courses: designed to meet the significant training needs of the sector, and are delivered face-to-face, where participants can share ideas and experiences in a professional learning environment. The content of each course is based on research conducted with public sector organization
- Customized Training Programmes and Tailored Courses: Customized Programme tailor-made to ensure that you and your team are primed to meet the unique threats and challenges your organization
- Marketing consultation services.

BECOM Academy can give advises and help in achieving your market plan goals.
